

ACTILS SPECTRUM 2021 REPORT

Greetings from Language Club,

It gives us immense pleasure to inform you that Language Club had organized ACTILS Spectrum, an online series of activities from **13th June 2021 to 4th July 2021**. The activities were conducted only for V.P. students by the Language Club members with an objective to test participants English language skills. Eight teams of five members of Language Club were formed and were assigned the task of organizing the activities. Right from choosing the activities to hosting of the activities was all shouldered on the respective teams. The activities were organized on **Sundays in two sessions i.e., from 11 am to 1 pm and 2pm to 4 pm.**

We got an overwhelming response from the students. Total 415 students participated in all the 8 activities. A winner was selected from each of the activities. Participants were given the participation certificates and the winners would be provided with a trophy and a certificate once we commence with the offline lectures.

The teams and list of activities are as follows:
