

## **CAREER DEVELOPMENT CELL**

Greetings from VP Institute of Management Studies and Research, Sangli.

We cordially invite with great pleasure, to your esteemed organization to participate and conduct the campus placement drive for students graduating & post graduating in academic year 2023-24. VP Institute, Sangli, one of the deep-rooted and the most diversified among the management schools in western Maharashtra, from its inception institute is striving hard for its best, to be a leaders in industry and business. The alumni of this Institute occupy top positions in business, industry, R&D and academia in India and abroad.

In addition to a rigorous academic schedule, we emphasize on all-round development of our students. The beautiful campus, at the epicenter of Sangli and Miraj cities, provides an excellent environment for learning. Quick on the uptake, with good communication and interpersonal skills and aware of modern developments, the typical VPIan is expected to play a pivotal role in leading organizations that are competitive in terms of management, products & services development, and technology. At VP Institute Sangli we have students meeting various requirements in diversified fields of interest and expertise of the industry. It would be our pleasure to welcome you to participate in the recruitment session 2023-24.
